

REMARKS

Currently pending in this application are claims 56 – 64, 66 – 81, 83 – 86, and 90 – 96. Claims 47 – 54, and 87 – 89 have been canceled. Claims 1 – 46, 55, 65, and 82 were canceled in previous amendments.

Claims 64, 71 and 81 have been amended to change “group selected from” to “group consisting of.” This overcomes the examiner’s rejection of these claims under 35 USC §112.

Claim 90 has been amended to correct a typographical error.

New claims 93 – 96 mirror prior claims 50, 51, 53 and 88 – 89 which were objected to as depending from rejected claims. These claims no longer depend from rejected claims.

Claims 47 – 49, 52, 54, and 87 were rejected under 35 USC §102(b). These claims have been canceled, rendering the rejections moot.

In paragraph 2 of the Action, the examiner rejected claim 59 under 35 USC §102(a) as anticipated by Finnan. Later in paragraph 5, the examiner indicated that claim 59 was allowable. Applicant respectfully submits that claim 59 is not anticipated and is allowable for the reasons stated by the examiner in paragraph 5. Claim 59 is a gasoline with the claimed additive. Finnan does not teach or suggest using the composition described in a gasoline.

The examiner has allowed claims 56 – 64, 66 – 81, 83 – 86 and 90 – 92.

CONCLUSIONS

Applicant submits that the pending claims are free of the art and are in condition for allowance.

Applicant believes there is no fee due with this response. However, if fees are due, please charge our Deposit Account No. 06-2375, under Order No. P02917US2 from which the undersigned is authorized to draw.
